

```
var txt = prompt("type something in here", "huge oof");

if (txt == null || txt == "") {
    txt = "User cancelled the prompt.";
} else {
    var result = prompt("oh hey, " + txt + " is what you typed oooooooooooooooooooooooooooooffffff")
}
if (result == null || result == "") {
    alert("oh wow okay")
} else {
    var result2 = alert("oof, your answer was " + result + " now continue lol")
}
```
